

Bertram Primary School

Dress Code Guidelines

BACKGROUND

The school's Dress Code plays an important part in promoting a positive image of the school and creating a sense of identity. The staff and School Board agree that a school dress code helps to:

- Foster and enhance the public image of the school
- Assist in building school and team spirit
- Ensure students are safely dressed for specific school activities
- Promote a sense of identity and pride in the school
- Encourage equity among students

The school and School Board strongly promote the wearing of a school uniform by all Bertram students from K-6.

PROCEDURES

Observance of the dress code is not a condition of enrolment at Bertram Primary School but is strongly encouraged by all who attend the school.

The school will ensure all procedural fairness is afforded when dealing with issues of exemptions and non-compliance.

The school does not allow graffiti or signing of any aspect on the school uniform. Where Year 6 students wish to have their shirt signed, they should bring it to school on the allocated day. Students must not be wearing their shirt during or after being signed. Signed shirts cannot be worn by students as school uniform.

CONSULTATION

The School Board will widely canvass students, parents and staff before establishing or changing the dress code using surveys, information in the newsletter and meetings with the P&C and Student Councillors.
